THINK! SHOUT! LAUGH!

Have you ever thought about the fact that our minds are positively brimming with all sorts of random information? Brands, pop songs, sports teams, etc... Normally, it's easy to give an example of a frozen food or a dog breed; but you'll find that your brain works a little differently under pressure!

Diehard Anomia fans and novices alike will love the Anomia Party Edition, featuring 6 all-new decks and over 425 unique categories, plus customizable blank cards for adding your own categories in every deck!

Anomia is simple. Players flip cards until the symbols on two players cards match. Matching players race to give an example of the category on their opponent's card. Sounds easy, right? Think again. Wild Cards create unexpected matches and even losing a card can set off a chain of cascading face-offs! Look out, it could be your turn at any time!

Fast paced, brain-bending, and laugh-til-you-cry hilarious, Anomia Party Edition is the game everyone will want to play at your party or family game night. Play the Party Edition decks on their own or mix them with the original decks for hours of mad fun!
